Titan Acquires Third ASC in Pennsylvania

Titan Health Corporation is pleased to announce the acquisition of Hershey Outpatient Surgery Center (HOSC) in Hershey, PA. HOSC is a seven operating room ASC that features 22,000 square feet, advanced equipment and pre- and post-operative recovery space. HOSC currently partners with Penn State University and Hershey Medical Center and participates in the Penn State Residency Program. Current specialties include orthopedics, urology, podiatry, pain management, plastic surgery, ophthalmology, neurology, gynecology, general surgery, ENT and colo-rectal surgery.

Hershey Outpatient Surgery Center represents Titan's third ASC partnership in Pennsylvania as well as one of the company's largest partnerships to-date nationwide.

"Titan is excited to partner with Penn State and Hershey Medical Center," said Marc Jang, Titan Health Corporation's President and CEO. "HOSC will be a great way for us to continue broadening our partnerships to include both universities and hospitals."
